

Thousands Buy Burr Bros.' Coal

Because Quality, Service And NO DIRT Are Given

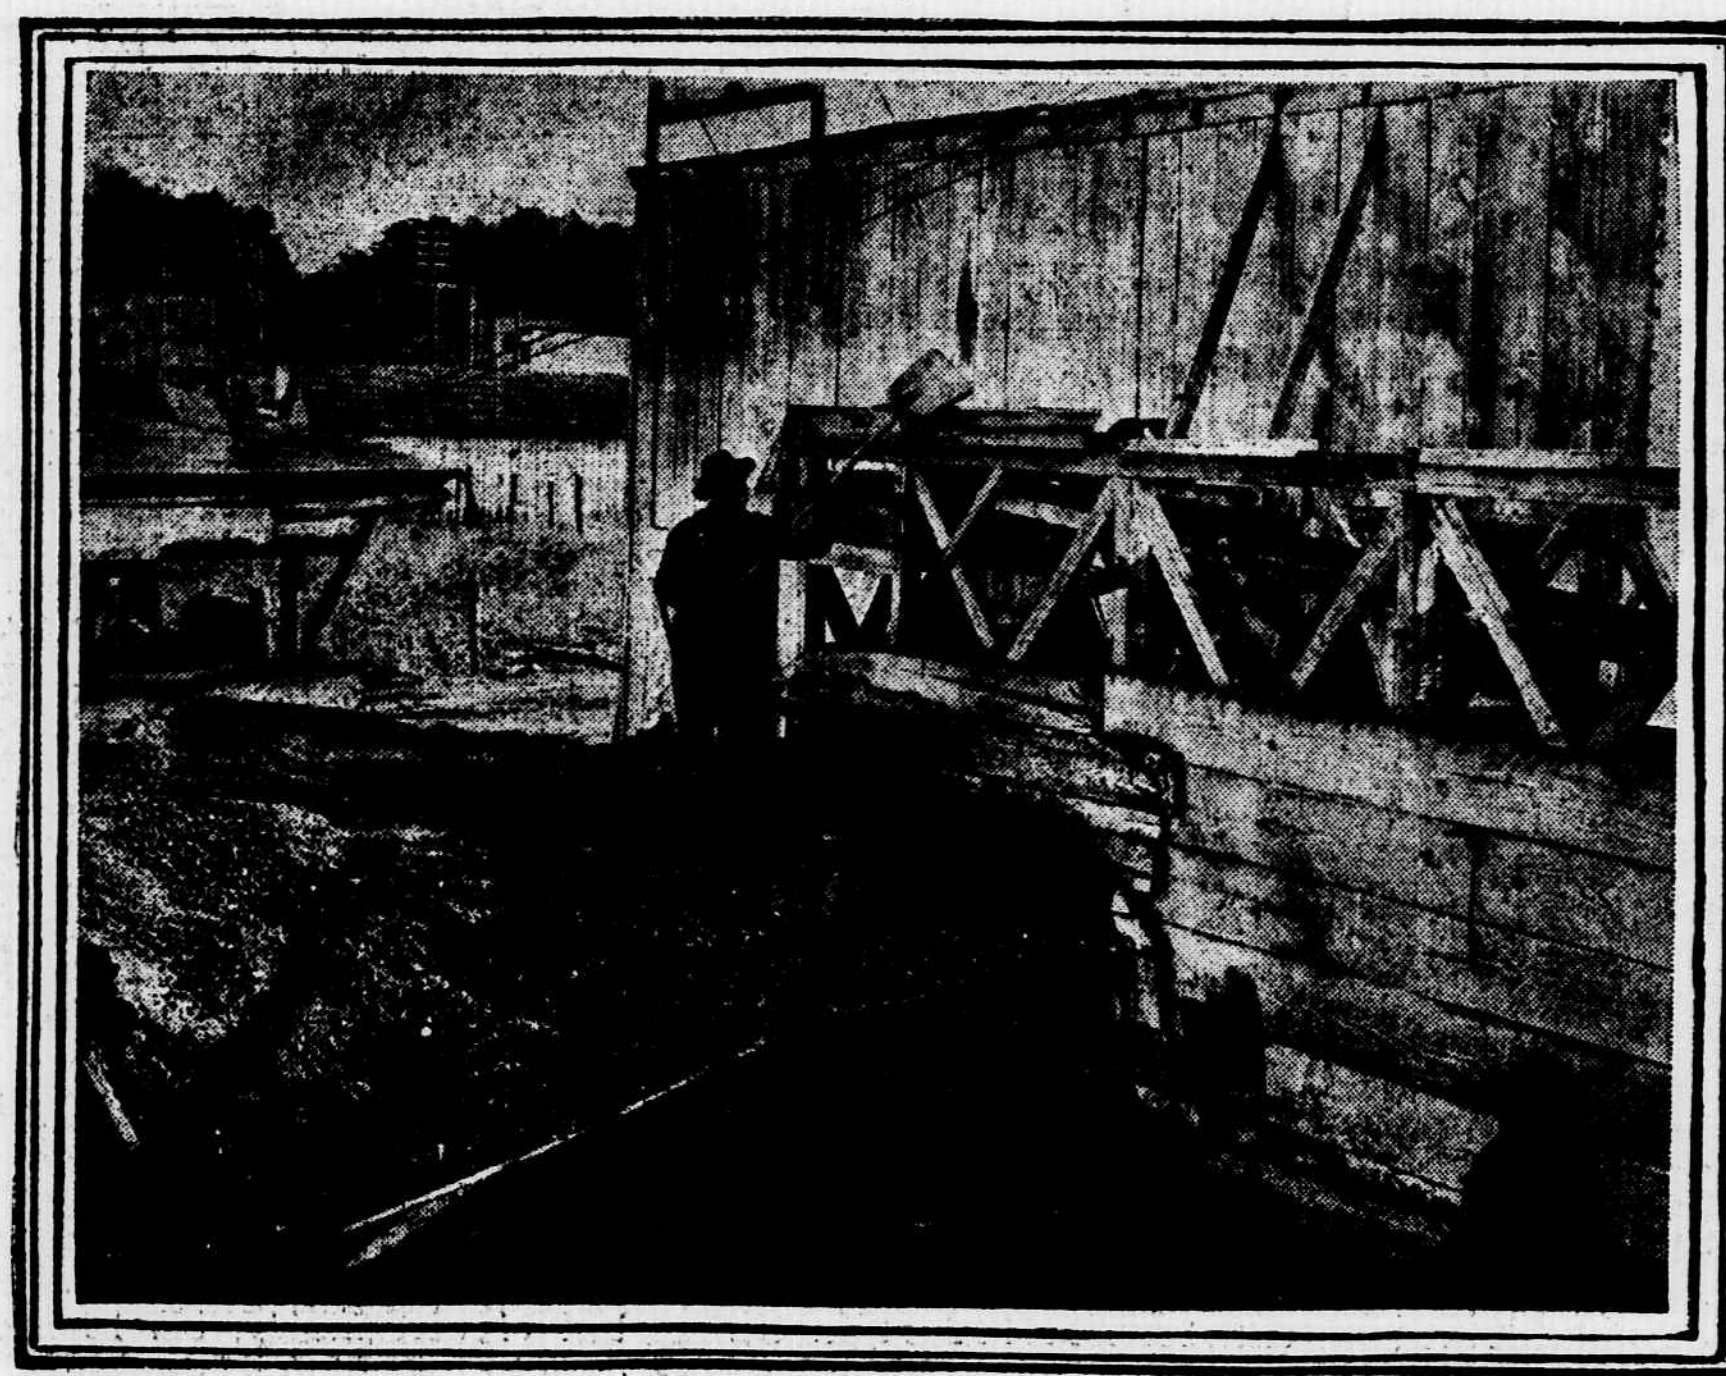

All dirt is first taken out of the coal by running it over screens, when bagging, as you can see.

We have plenty of
uniformed drivers
and wagons.

Your order will re-
ceive prompt atten-
tion.

Save 25c on a ton.
We allow 25c per ton
on all cash orders.

Get in the coal now
while the weather
is good.

The dirt is then taken to a large machine-driven screen and all the small particles of coal are separated and graded and sold to the government.

You do not have to pay for our waste, because we have none. What becomes of the other merchant's waste (he cannot afford to have any)? Some one pays for it. Ask yourself--DO YOU? For the dissatisfied and the people "who want WHAT they want WHEN they want it" go to
